Aqua D&P Technologies

THE COMPANY

Aqua D&P Technologies is one of the leading companies for supplying complete and customized wastewater treatment plants. The solutions we provide are designed to comply local regulations whilst maintaining operational cost at a level that will not affect your business.

1. PRIMARY TREATMENT
2. SECONDARY TREATMENT
3. TERTIARY TREATMENT
4. SLUDGE DEWATERING AND INCINERATION
5. WATER REUSE AND FILTRATION
6. MICROBIALS AND CHEMICALS

OUR SERVICES

Your wastewater treatment plant will be engineered to match the specific demands of your activity,
Commissioning will be carefully done and the personnel will be trained to efficiently operate the treatment plant.
The plant will operate fully automatic and can be equipped with several features like HMI, SCADA, mobile app for remote monitoring and operation.

1. EQUIPMENT FROM TOP MANUFACTURERS
2. PERFORMANCE WARRANTY
3. TAILOR MADE SOLUTIONS
4. COMPLETE AUTOMATION
5. COST EFFECTIVE SOLUTIONS

EXPERTISE

No matter if your business is a pig slaughterhouse, a dairy or a pulp and paper plant, we are confident that we can supply a tailor made solution that will efficiently clean your wastewater.
The experience of over 35 years in the industrial field of our top enginneers stands behind our every customized solution.
